Confirmation of compliance with EU-Regulation 833/2014

Dear Sir or Madam
We hereby confirm compliance with EU-Regulation 833/2014. It demands that:

- no goods originating in Russia or being exported from Russia are allowed to be sold by Afim s.r.l.
- no iron and steel products, which have been processed or produced in a third country (= every country outside the EU) using raw materials originating in Russia, are allowed to be sold to by Afim s.r.l. Affected are all materials and products listed in Annex XVII of the EU-Regulation 833/2014 (in its currently valid version).

Marco Di Gregorio
(C.E.O.)
