To whom it may concern

2012 Milano, li 12/01/2024

Dear Sirs,

with the present AFIM S.r.l. DECLARES that the details provided to you are:

- **free *** of SVHC substances as per official list updated to last edition (website https://echa.europa.eu/it/candidate-list-table *)* Therefore **compliant** with the provisions of the REACH regulation (EC Regulation n. 1907/2006 and s.m.i.). Therefore not subject to their registration in SCIP database (website https://echa.europa.eu/it/scip.*)*
- **free** of TSCA substances as required by the U.S. Environmental Protection Agency (EPA) on 6th January 2021 (website https://www.epa.gov/tsca-inventory.*)*
- **compliant *** with the Rohs III EU 2015/863 - 2011/65 / EC Directive (restriction of the use of certain hazardous substances in electrical and electronic equipment)
- **compliant *** with Directive 2000/53 / EC ELV (End of Life Vehicle)
- **compliant** with the California Proposition 65 directive (website https://oehha.ca.gov/proposition65)
- **compliant** with the regulation (UE) 1021/2019 (Reg. POP) (website https://eur-lex.europa.eu/legal-content/IT/TXT/PDF/?uri=CELEX:32019R1021)
- **free** of substances TSCA (U.S. EPA 6/01/21) (website https://www.epa.gov/tsca-inventory.)
- **free** of minerals from conflict zones such as: Tin - Tantalum – Tungsten – gold
- absence obligation of **PFAS** substances
- **absent of radioactivity** - our products are obtained with controlled raw material with radiometric screenings in compliance with the IAEA safety standards series n. SSG-17 as guaranteed by us and declared by our raw material suppliers. This information applies to the finished product, as it leaves the BENERI warehouse and does not cover any subsequent alterations by users

* Except for the parts having galvanic zinc coating with color passivation iridescent yellow and with traceability date prior to 01/01/2014.

This passivation contains an element (hexavalent chrome) that is not permitted by the ROHS and REACH directives.

The information provided in this document is true and complete for what we know

Sincerely
